

The Blind Monk

The title 'The Blind Monk' is rendered in a highly decorative, blackletter-style font. The word 'The' is in a smaller, simpler font to the left of 'Blind'. 'Blind' and 'Monk' are written in large, bold, blackletter characters with elaborate flourishes. A small rooster is integrated into the right side of the 'd' in 'Blind'. A wheat stalk is positioned below the 'M' in 'Monk'. The entire title is centered on the page.
